IANPHI's Focal Point Network

The Focal Point Network will serve as a tactical group supporting coordination, collaboration and implementation of IANPHI's diverse initiatives and activities.

Ukraine crisis response

IANPHI mission to Poland 12-13 May 2022

- Understand the role and challenge of Poland's NPHI and the support it is providing
- Peer-review currently defined needs of refugees and the support provided
- Define a map of needs and solutions that can be addressed by NPHIs
- Strengthen the coordination between the NPHIs to support Ukraine, Poland and affected countries

IANPHI mission to Poland

Sharing learning

- DPH/WG
- Global PH community
- Peer-reviewed publication

IANPHI Europe Visits Poland to Learn from its Refugee Response

November 19, 2022

Temporary accommodation, kitchen and dining area, as well as clothes distribution point run by volunteers and charities in Krakow
