# Focal Point Network (FPN)

IANPHI's Focal Point  
Network

The Focal Point Network will serve as a tactical group supporting coordination, collaboration and implementation of IANPHI's diverse initiatives and activities.

# Tool Kit for National Public Health Institutes

IANPHI provides technical assistance to countries that are setting up or enhancing their National Public Health Institutes (NPHI). To assist member countries and partners in these efforts, we are developing a toolkit for NPHI development based on our growing body of experience.
